my dear Mrs Snyder

you will never know how much I appreciate your sweet letter its been a great relief to learn his parachute opened.

If I get any further news at all I will let you know. we women have to stick together in these trying hours. I feel if we trust in God and pray earnestly enough our men will be brought back to us. I say men for altho they may have been boys when

when they return.

I will tell you a little about my other sons. I have three others in service. One taking pilot training in the Army Air Corps. One some where over seas at a secret base in the Quartermaster Corps one in the Navy. That's all I have to give. I have one little girl 10 yrs old.

Here's thanking you for your interest in writing me I am greatly indebted to you. I remain
Sincerely your friend
