My dear Mrs Snyder

Forgive me if I add
to your already great sorrow,
your husband being the
pilot of the crew that
my son was in I thought
perhaps you may have
learned more of the
details about the missing
plane. The message ~~at~~
only said my son is
missing over France
since Feb. 8th

If you have any farther
news I'd so glad if you

near here that was reported
missing over France the
same day My boy was.

His people have had
a letter direct from the
boy he is a German
prisoner. Thanking you
for and news you may
have. Sincerely

My son's name
Sgt Roy M. Holbert
