Dear Henry

Received a letter  
from Major Stank  
today confirming  
the report that  
returning airmen  
saw 10 men parachute.  
He feels certain that  
the men are P.W.'s.  
and said that we  
probably won't  
hear for three  
months. He said  
Howard's personal  
belongings had been  
sent home as I  
suppose Dick's were  
too.

How do you feel?  
Am so anxious to  
hear. Love, Ruth
