Bradford, Yorkohin England. 8-8-45

Hear Baplain,

hechaps I had bethe begin by weeking myself known byen . I am the Rusband of the thraction of:

402, Avenue Bug. Gereaux,

for to I leave ment. I was reported to the place that the September, after the wing from 3/2 years in grant friend.

he was of bu kee and letter, my liting, mentions your mann & your address in America. He also and me Hurit to you that apply, the letter arrived been very bady Sanaged. To face having to guess at quit a lot of it contacts. I amy san, I hap to I have got your mann or address correct, of the letter will keep by a leafe.

The asks in to ask you to exceen her for sect lawing written to you, besself. It is aurecious to have remeting of your return veryon. as also to have then you are teapeny than Days. He hope the your are in bethe least of the you are now lappy t having a good thim. He has also asked in to anglain that the neares the said not give you our address, we think that he had been the was not in the good book of the Geolope.

Happen Het you promised les a photo of the lan secur This which you law sent to The familie Schuptener of Buls. I believe that the has also had never of you theoret the such for an my Wef is consecuent, for cutain thing . It he may emount of course, for alter the is timed. Hat is vely the her when we to write to you. I hope that the test will send you that this, an O.K allique. Here is legland things are going along as rescuel . In algina it is quet different. From , chelling , almost way they of lil ner cerily is very scarce of the what their is , person are willy Righ. For week I lave Bran lyon to god lack here he for maker any services. I am depart his he was elinet in an early fection. It is now more this four years of and last to pleasure of saving my family. By when exciting at well you places address you letter to our belgion address had is can the althe selve of the program. of year sheare got beach to Bolgium on day, House do The pleasure of salling on us. Fee my part, I shall be leaved to make your acquaintance. Be for my left, well, as e of the war term fromits, she will be delighted to see you Cheris, fo to present & all the Gest Your Lencerely Jack R. Lartin .
