men evaded capture and were missing in action for seven months. The stories are all different and all are remarkable.

Sovereign Debt Crisis and Economic Sustainability: Is It the End of American Hegemony? How Can the West Retain Economic Dominance?

Nazimudeen Saleem. CreateSpace. \$21 paper (148p), ISBN 978-1-5004-5833-1 Amazon; BN.com

The concept of market economy and capitalism is said to have created miracles in lifting the economic prosperity and the standard of living of people worldwide, particularly in the developed economies

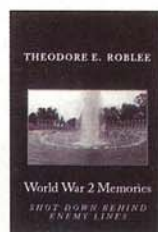

of the West and Japan since the 1940s. In an age of globalization and commercialization, the author wonders if we can continue to enjoy what we are endowed with, particularly when debt-afflicted nation-states of the West find it difficult to sustain their prosperity. In addition to proposing some innovative ideas to generate public revenue using the market principles to sustain the status quo, Saleem stresses that the West should adopt the concept of a regulated market economy along with new monetary and fiscal policy measures.

Commit to Get Fit: Find the Secret to Your Own True and Everlasting Weight Loss

Laura Dion-Jones. Original Cosmo Girl Press. \$14.95 (273p), ISBN 978-0-9794914-3-6; \$9.95 e-book, 978-0-9794914-1-2

Commit-fit.com; Amazon; BN.com; iBooks; Kobo; Smashwords

This is not your typical diet and fitness book, Dion-Jones says. The failing of most weight-loss books is that they are strict, regimented plans complete with recipes, rules, and long lists of dos and don'ts. This approach is exactly what Chicago author, TV/radio show host, certified motivational weight loss coach Dion-Jones challenges and changes in her new book.
